Modulo da 6 CFU – Lingua Inglese-Analisi dei Linguaggi Speciali
Proff. C. PENNAROLA/V. POLESE / S.A. ZOLLO

**Specialized Discourses across Disciplinary Perspectives:
Human Development and Well-being**

AIMS

This module, directed at the postgraduate students in the Department of Political Science, explores the approaches and procedures of subject specialists when tackling crucial issues in today's threatened world: human development and well-being. The students will be sensitized to how human development and well-being are conceptualized through different disciplines and to the diverse conventions and methodologies associated with each community of practice in academic domains.
